County Sales Tax Ordinance Given Board's Approval

Loehr Casts Dissenting Vote But 70-30 Split Wins For Cities

With only Chairman Henry G. Loehr of Truckee casting a dissenting vote, the board of supervisors last Thursday, passed the one-cent uniform sales tax ordinance by a four to one vote.

The ordinance calls for a tax on tangible personal property purchases with a split of 70-30 for the money collected within the incorporated cities of the county.

The board also entered into an agreement with the state board of equalization for collection of the tax.

Supervisor Loehr held out all during the discussions, holding that the eastern section of the county, which will collect a large portion of the tax, does not stand to benefit to the extent to which it is entitled.

The tax is expected to go into effect on April 1.

The two cities in the county had originally held out for 80-20 and the farm groups for 60-40.

The ordinnace is effective for one year while an impartial survey is made by some outside experts to determine if this is the proper split or if an adjustment in the ordinance might be in line at the end of the period.

Under the 70-30 agreement, the City of Nevada City will get approximately $16,950 or 8.8 per cent of the anticipated $193,238 collected during the year, Loehr explained. Grass Valley stands to get 61,554 or 31.8 percent and the unincorporated portions of the county, of which Truckee is a major contributor to the tax, will get $114,734 or 59.4 percent. There is no way of telling what part of this $114,734 the Truckee area will receive.

Property tax equivalent of the estimated sales tax allocations is given at 31 cents for the county government, Loehr said. Whether the sales tax will result in a lower basic county rate remains to be determined, but the local supervisor expressed doubt that it will.

Maintenance Yard Will Be Enlarged

Part of the planned enlargement of the Truckee maintenance station will be made under provisions of a contract offered for bid by the division of highways today. The bids will be opened in Sacramento April 16.

The contract provides that the existing yard area will be enlarged and graded to prepare for the construction of an additional truck shed and added surfaced yard area. Portions of the existing fencing will also be relocated and additional 72-inch chain link fencing added to enclose the existing facility. The remainder of the improvement will be made under other contracts.

The work is necessary to accommodate the additional highway maintenance equipment that must be stored in Truckee area because of the conversion of Highway 40 to a four-lane freeway through the section. The large volume of traffic anticipated for the Winter Olym pic Games to be held in Squaw Valley in 1960 will also require additional equipment to insure movement of traffic during storm periods.

Funds amounting to approximately $59,000 are contained in the 1958-59 budget of the division of highways for the present work.

FOOD SALE PLANS TO OCCUPY FIRE LADIES

This evening, at Donner Lake Lodge, the Ladies Auxiliary of the Donner Lake Fire Department will hold a dinner meeting when final plans will be discussed for a food sale. The sale will feature many tasty home-cooked dishes on Saturday, March 22, starting at 10 a.m. at Welch's Hardware in Truckee.

The proceeds of the sale will be used toward the purchase of needed fire equipment accessories.

SKI EVENT

SUGAR BOWL—The University of California Vanderbilt Race, annually held at the Sugar Bowl will take place this coming weekend, with the downhill on Friday, the cross-country and slalom Saturday and the giant slalom for the women on Sunday. A large field of contestants is expected. Luggi Foeger will set the courses.

There are from ten to 18 feet of snow at the summit resorts.

IN HOSPITAL

E. D. Sullivan, linotype operator at the Sierra Sun for the past three years, is in the Tahoe Forest Hospital suffering from pneumonia. After treatment, he will leave to recuperate at the home of his son and family in Sacramento.

Wolverines Win To End Season With Tournament Honor

(By John Firpo)

The Tahoe Truckee Wolverines playing their first game in the state tournament at Las Vegas last week, compiled a 1-1 record. Their first game really proved that they were a team of "desire" as they came from behind to defeat the Basic Wolves of Henderson, 64-60.

Then the following evening they came up against a more experienced bal lclub as they dropped a 65-49 decision to the later State Champion Las Vegas Wildcats. The loss brought no discredit on this school, but the reverse. It showed that a team with the smallest enrollment of any in the tournament could reach the semi-finals of the state.

Thursday the Wolverines played their first game against the Basic Wolves who were the third place club from the south. Basic, red-hot in the first half, caught the Wolverine defense napping and before the latter could get going they trailed 17-4. After a time out by TnT ,they came back to trail only by two baskets, 18-12. Then in the second stanza, again the Wolves took up the scoring pace as they doubled their score 36 to 18 at the half.

The third frame saw both teams shooting with deadly accuracy—somewhat more by Tahoe Truckee and the fourth quarter began with the Basic lead chopped to 50-41.

With 3:30 remaining in the final period, Ken Osburn's steal and layup cut Basic's lead to 58-57. Then Floyd Cooper came through with another of his accurate hooks to give the lead to Tahoe Truckee for the first time in the contest, 59-58. The Wolverines again scored as Osburn again followed Cooper with a layup to make the score 61-58.

Basic matched the shot with a set to trail 61-60. Cooper driving all the way from the top of the key made it 63-60. With seconds left, the Wolves, desparate to gain possession, fouled Berger Nelson. Nelson assured the victory with the free throw and the buzzer sounded, giving the victory to the Wolverines.

Play Wildcats

Friday the Wolverines had gained the right to play the southern champs, the Las Vegas Wildcats. The winner of the game would play the Rancho Rams for the state

MAYNARD ELECTED TO HEAD ROTARY

Carroll Maynard, member of the Truckee squad of the California Highway Patrol, was elected as president of the Rotary Club of Truckee at the March 10 meeting. He will succeed Dick Swanson, the club's president during the past year.

Bruno Belloti of Bank of America, was selected as secretary and the board of directors will comprise Fosten Wilson, Emery Lander, Bellotti, Swanson and William Sciutto. The officers will be installed July 1.

At last Monday's meeting, Geo. Selkirk, manager for the Pacific Telephone Company in this area, showed films of how television programs are transmitted and the laying the trans-Pacific cable.

HOUSE MOVER WILL DISCUSS LOCAL SALE

In connection with the announcement by the division of highways that a public auction will be held March 27 and 28 to disposed of houses purchased by the state for highway rights of way. Paul Weirdsma, owner of the Olympic Hotel, and the Hercules House Movers of Sacramento, said he would be available to discuss terms of moving the houses purchased.

Wierdsman said he would be at the Olympic Hotel at 11 a.m. on March 26 to discuss terms and costs of removing the structures with prospective buyers.

HOSPITAL PATIENTS GET SCOUT FAVORS

The local Girl Scout troop, under the leadership of Mrs. Gladys Pedley, furnished the hospital with tray favors for St. Patrick's Day. The tray decorations provided an interesting change in keeping with the holiday and were well received by the patients, Administrator J. J. McGlade declared. The staff thanked the Girl Scouts for their thoughtful gift and for past favors.

Court Rules State Within Rights In Requesting Land

Judge Sparks Denies Motion To Declare Action Unconstitutional

AUBURN— The California Olympic Commission late Monday won a preliminary round in a battle to acquire land in Squaw Valley when Superior Judge Lowell Sparks denied motions to toss a condemnation suit out of court.

He ruled against Wayne and Gladys Poulsen, who asked:

1.Reversal of a court order granting the commission immediate possession of a 10-acre parcel.

2. Removal from the suit of a paragraph which asks the court to determine the damage and benefits to Squaw Valley land because of the Olympics.

3. That legislation appropriating money for the 1960 winter Olympics be declared unconstitutional.

Judge Sparks gave the Poulsens 10 days to answer.

In the ruling on the charges of unconstitutionality, Judge Sparks wrote:

"The court concludes that it does not clearly, positively and unmistakably appear that the statutes here attacked are invalid, as a violation of the constitution.

"On the contrary, it does appear that the legislature in providing funds for the Olympic Games in 1960, as well as they had previous-

Approval Given Donner Zoning

NEVADA CITY— Despite heavy snow over Donner Summit, more than 30 property owners and interested parties gathered Thursday night in the board of supervisors' chambers in the court house to study proposed maps for zoning of Donner Lake.

Some of the property owners came from Sacramento and other areas as well.

Except for minor changes such as lines between certain pieces of property in the zones, the owners were in substantial agreement on the zoning with not one outright objection being voiced.

The map was carefully studied and the Nevada County Planning Commissioners then agreed to set May 8 in the court house for a second and possibly a final hearing. At that time it is hoped that a form of ordinance for zoning will be drawn up.

Cecil Edmunds, chairman of the commission said the next meeting will be held March 27.

GREAT BOOKS GROUP WILL MEET AT TAHOE

The Great Books discussion group will meet in the Tahoe City elementary school at 8 p.m. March 26 with Mr. and Mrs. Al Cavallo leading the talk on the Book of Job in the Bible.

New third year books may be obtained at the Tahoe Truckee Community Center Library and Roy Baker and Hilda Hintz may be contacted for further information.

The March 12 speaker, David Ashbrook, held a successful session and Mr. and Mrs. Conrad Wainscoat of Kings Beach were visitors.

Mrs. Laura Wilson of Homewood baked delicious apple pies to serve with coffee at the meeting.

Auxiliary Of VFW Ends All Projects For Year

KINGS BEACH — Pearl Moore, of the Ladies Auxiliary of Post No. 7077, VFW, has announced all projects undertaken for the year have been completed.

Cards and letters have been received in appreciation for the books and magazines and hospital pads from the V. A. Hospital at Reno, crippled children centers at Sacramento ,Palo Alto and Reno for gifts and Christmas cards.

"We wish to take this opportunity of thanking the many people of the Kings Beach area who made these projects so worthwhile," Mrs. More said. "A special thank you to Fred Schultz for the lovely set of library books donated during the book drive."

At Capital—

Mr. and Mrs. Gus Benjamin have been staying at Sacramento.

Federal Assistance For Olympics Hits Temporary Snag

A Washington, D. C. dispatch says an objection raised by Representative Taber, New York, blocked House action yesterday on a bill authorizing $4,000,000 on federal funds for the Winter Olympic Games in 1960.

Speaker Rayburn announced that the Olympics bill would be considered again today under a procedure requiring a two-thirds vote for passage.

Storms Whip Area As Spring Arrives

Spring officially arrived today but judging by the weather during the past week, that doesn't mean a thing.

The 27 inches of snow which fell during the week brought the season's precipitation up to 29.04 inches or 1.66 inches more than the 27.38 inch average for the entire year, Henry Toccalini of the U. S. Forest Service declared.

Precipitaion from the week's storms was 2.03 inches and yesterday there were 37 inches of snow on the ground at the forest service station.

Accompanying the storms was some very chilly weather, with a low of 11 reported Tuesday and a high of only 44 degrees that same day.

Clear weather has prevailed for the past three days.

SCHOOL CARNIVAL WILL BE HELD AT GYM THIS FRIDAY

The Tahoe Truckee High School carnival annually held in the gymnasium of the school will take place this Friday, March 21.

The student body and carnival chairmen have been planning the affair around the theme of "Fantasyland."

There will be many booths, refreshments and fun for all. The time is 7:30 to 10:30 p.m. and the public is urged to turn out and enjoy the fun.

ROLLER SKATE PARTY GIVEN FOR SCOUTS

A roller skating party was enjoyed Saturday by Truckee Pine Cone Troop No. 131, according to their leader, Mrs. Fred Pedley. The girls taking part in the Girl Scout Week observance are Susanna Sciutto, Rowena Schuler, Leilani Braasch, Joyce Randall, Dawn Maynard, Leiane Kay.

Mrs. Reg Smart and Mrs. Eddie Sardi also accompanied Terry Ellis, Francie Ann McGwinn, Lyla Frates and Karen Smart to the party. Refreshments were enjoyed before returning home.

SPITSEN NAMED TO HEAD TAHOE CLUB

TAHOE CITY—The annual election of officers of the Tahoe City Rotary Club for the fiscal year 1958-59 beginning next July 1 was held at the dinner meeting on March 11 at Tahoe Inn.

The election resulted in Martin H. Spitsen, local contractor, being advanced from vice president to president and William Bechdolt being elected to the office of vice president. Harold R. Farr was re-elected as secretary and Harry Johanson was retained as treasurer.

The new directors will be Howard Martin, George Selkirk and Basil Kehoe. President Warren Porter automatically becomes a director when the new president takes office.

Guests of Rotarians at the meeting were Al Henry and Jack Starratt, with President Porter; Marshall Ruhkala and Ray Grahn as his guest and Charles Cross brought Howard Irish of Reno.

The 29 members and four guests were entertained after dinner with a movie film showing arts that should be mastered to become a good skier.

Name Twins—

Robert Hackett, proud father of twin sons, born last week at the Tahoe Forest Hospital, said the give nnames chosen are Lewis Benjamin and Lawrence Wendell.

Down Peninsula—

Miss Eleanor Dominguez, employed in a technical concern in San Francisco, wrote that she has recently moved her residence to Burlingame.

Airport Meeting Will Be Held Mar. 28th At Smart's

State Official Scheduled To Discuss Project At Chamber Meet

Clyde Barnett, director of the California Aeronautics Commission has been invited to be the main speaker at the luncheon meeting of the Truckee Chamber of Commerce at Smart's on Friday, March 28, peresident N. F. Dolley said.

The meeting will be concerned primarily with a discussion on the proposed formation of an airport district embracing the Truckee and North Tahoe areas. An election will be held Tuesday, April 8 to determine the question.

The measure to be submitted to the voters of the Tahoe Truckee Unified School District, will be simply:

...."Shall the proposition to form Truckee-Tahoe Airport District under the California Airport District Act be adopted?

At the same time the voters will be called upon to elect a board of directors and candidates, whose names will appear on the ballot are Lee Apple, Rex E. Reid, Zephhaniah D. Rose, Fred M. Schultz, Walter G. Speeter and Don A. Stumbo.

The election does not provide for raising funds, building an airport or other district obligations, it is explained by Cecil Edmunds, chairman of the planning committee. It simply provides for the formation of a district which, he said, will provide against the area being absorbed by county-wide districts similar in nature to the Sierra College District and other like organizations in which taxes provide facilities in distant regions of the two counties.

Following the talk on March 28, questions concerning the proposed district will be answered and all

ARMENIAN BISHOP IS KASPIAN GUEST

The Most Rev. Bishop Papken, primate of the Armenian Church in California, visited the George Kaspian family in Truckee. Accompanying him were Rev. Father Shake Semerjian of Fowler and John Kurkjian of Los Angeles, the chairman of the Diocenan Council of California.

Bishop Papken was elected on August 31, 1957, while he was in Beirut, Syria. He is an American citizen and was educated in the United States. Before arriving in California he went to Etchmiadzin, in Russian Armenia to be ordained as bishop by Catholicos Vazken, I, the supreme patriarch of all Armenians. Etchmiadzin is the religious center of the Armenian church, as the Vatican is for the Roman Catholics. It was built in 303 A. D. and the Armenians are the first nation who proclaimed Christianity as state regigion in 285 A.D., the bishop said. The Armenian Church is established by the Apostles St. Thaddeus and St. Bartholomew, who converted two princesses and few persons and the church got started in 36 A.D. by the preaching of St. Thadius.

There are nine Armenian churches in California under the jurisdiction of Bishop Papken.

TWO INDUCTED IN GIRL SCOUT TROOP

Karen Walker and Ann Morey were invested into Donner Girl Scout Troop No. 132 at the meeting Tuesday with Mrs. Frank Giovannoni conducting the ceremony.

Mrs. James Walker and son Ronnie and Daven Morey were visitors at the affair.

Linda Banyard was presented her one-year pin and refreshments were served at the close of the afternoon.

GIFT IS RECEIVED FOR USE AT HOSPITAL

The Tahoe Forest Hospital recently received a gift of a heat treatment lamp from C. Jobe of Soda Springs. It will be used for physical therapy at the hospital and will broaden the scope of treatments available in that field.

Jobe has donated in the past a whirlpool tank for hydro-therapy and a collection of medical textbooks for the medical library.

The hospital staff expressed their appreciation to Jobe for his latest donation, which will find many uses in patient care.

Commissioners In Local Meet Ask Aid For Hospital

Nearly ideal weather conditions, with temperatures about 20 degrees below normal and ample, but not excessive snow, and no wind, provided members of the California Olympic Commission with an excellent picture of the compacted snow parking area at Squaw Valley when they met there Saturday afternoon.

The navy equipment had the comparatively small area in good condition and a number of buses and cars, some with and others without chains, parked on the area without a trace of difficulty.

Robert DiGigorgio, assistant to the president of the Organizing Committee, expressed confidence the compaction plan will work, but gave assurance that an alternate parking plan will be provided in any event.

Following the inspection of the test parking area, the commission members A. Andrew Hauk, temporary chairman, Stephen Royce, Allen Christensen and Walter Barrett held a meeting at Squaw Valley Lodge where only routine business was discussed. H. D. Thoreau, executive sercetary of the commission also attended.

Of local interest was passage of a resolution calling upon the state department of public health to give favorable consideration to the application of the Tahoe Forest Hospital's application for financial assistance in enlarging facilities to meet the demand of the Olympic games for adequate protection for the thousands of participants and spectators expected for the 1960 games.

The commission voted unanimously on the resolution.

Date of Olympics May Be Delayed

A press dispatch from New York says that to meet European requests,the dates of the 1960 Winter Olympic Games may be changed so that they start a week later, the head of the Squaw Valley Organizing Committee said.

"We will suggest February 19 for the starting date, instead of February 12, when we make our report to the International Olympic Committee in May," said Prentice Hale, who has just returned from a tour of snow and ice events in Europe.

"The only complaint we heard about the Squaw Valley games was that they were starting too early," Hale said. "The speed skaters and some of the skiers said they preferred March dates.

"We told them we could not hold the games in March because of snow conditions. We asked about the last ten days in February and they seemed happy."

Committees For Grand Jury Are Announced

NEVADA CITY—All committees of the Nevada County Grand Jury have been selected and names released by R. J. Polk, of Nevada City, forman.

The committees, which visit various offices in the county and investigate necessary needs and other practices, are listed as follows:

County offices and salaries—Clinton Dana, Nevada City, chairman: Elaine Legg, Nevada City, and Flbert Hellar, Truckee.

Schools—Matie F. Luther, Grass Valley, chairman; William Ammon, Grass Valley, and John K. Hahn, Nevada City.

Hospitals and welfare—Florence Buxton, chairman; Edna Boot and Edna McGrath, all of Grass Valley.

Jails and institutions — George Busbey, Grass Valley, chairman; Robert Hawkins, Nevada City, and Henry Magonigal, Smartville.

Buildings and grounds—Dell C. Riebe, Grass Valley, chairman; Lorin Trubschenck, North San Juan, and Edward Yun, Grass Valley.

Roads and highways—Laurence E. Personeni, Nevada City, chairman; Walter A. Loynd, Truckee, and Manuel W. Cicogni, Grass Valley.

Implication Denied

Implications current that skis stolen from cars parked on Donner Summit were taken by someone in that area, are false, sheriif's deputies report. No circumstance in any of the cloutings pointed to any local person.

Local Houses Will Be Sold By State Here March 27-28

Many Items Up For Sale As State Prepares For New Freeway

A two-day auction on March 27 and 28 to dispose of state-owned surplus property in the Truckee area was announced by the division of highways today. The 32 items to be sold were acquired in transactions for rights of way for the improvement of highways 40 and State Route 89 in this area.

The two day sale will offer 18 houses, four cabins, two storage buildings, one school building, one restaurant and service station, gas pumps, oil tanks and propane tanks to the highest bidder. The minimum acceptable bid for the various items varies from $1 to $500. A notice of sale has been placed on each sale item with the necessary bid information.

The sale will start at 10 a.m. March 27 at the former Burle W. Reynolds residence on Spring St., in Truckee. The second day of the sale will also start at 10 a.m. with the sale of the Clarence Osburn house on the northwest corner of Main and Bridge streets. All items will be open for inspection from 10 a.m. to 3 p.m. on March 20 and from 8 a.m. to sale time on the day of the auction.

A list of property to be sold may be seen at the office of the Sierra Sun in Truckee.

Terms of the sale call for the payment in cash or cashier's check or certified check, of the amount of the bid, if $100 or less, at the time of the sale. If the bid is over $100, a deposit of not less than $100 will be accepted. The successful bidder must remove the purchased item from the right of way prior to June 30, 1958.

The sale will be conducted by representatives of the right of way department of District III, California Division of Highways.

Hobart Road Will Get New Surface

An 8.1 mile section of State Route 89 from 8.6 miles north of Truckee to the Little Truckee Summit will be improved under terms of a contract offered for bid today by the division of highways. The bids are to be opened in Sacramento April 16.

The contract will call for the resurfacing of this stretch of highway with plant-mixed surfacing placed on the existing paving. The work is intended to improve the riding quality of the road and to eliminate the need for spot patching in some locations.

The 1958-59 budget of the division of highways contains $67,000 for this work.

$200 GAINED FROM P. T. A. CARD PARTY

More than $200 was realized in the proceeds from a recent card party given by the High School PTA, it was reported by President Elmer Brown.

The nominating committee elected to serve with the president, secretary and faculty representative included Mesdames Wilber Glenn, Chris Burmer, Herbert Gunkel.

The latter also volunteered as refreshment chairman for the April meeting. Mrs. Preston Patnoude previewed educational films and Mesdames Harris, S. Cozzi, R. Bretthauer, M. Frey served refreshments after the meeting.

MRS. MILLER FETED AT WYETHIA MEET

A candle lighted cake was presented to Mrs. Glenn Miller on her birthday at the March 14 luncheon meeting of the Wyethia Club and the 30 women present sang a greeting to the feted member. The decor was attractive in the St. Patrick Day motif and the program was pleasing.

Commissioners Named

The board of supervisors at the meeting Thursday, appointed three members of the Truckee Fire Commission. Reappointed were A. Pace and E. K. Stice and Elden Tonini was named to replace Rex Thomas.

WILLARD THOMAS OF TAHOE EXPIRES

TAHOE CITY—Lake Tahoe lost a summer resident, February 28, when Willard J. Thomas passed away in an Oakland hospital. Thomas was a native of Grass Valley and a summer resident of Lake Tahoe since 1936 when he built a cabin in the government tract at Emerald Bay.

Thomas was a veteran of the Spanish-American War and worked as an inspector for the United States Food and Drug Administration until his retirement several years ago. He is survived by a sister, three daughters and six grandchildren, all of Oakland and Lake Tahoe.

The capital of Madagascar is Antananarivo.

The Arctic Ocean is 14,150 feet deep at the North Pole.

There are about 4000 lumber wholesalers in the United States.

OBEY LAW TO AVOID STATISTICS, PATROL CHIEF SAYS IN TALK

SACRAMENTO — California drivers must exercise more respect for traffic laws if they are to avoid becoming a traffic statistic warns the California Highway Patrol.

"The growing number of citations issued by the California Highway Patrol is some evidence of the apparent lack of respect for traffic rules and regulations," declared Patrol Commissioner B. R. Caldwell. "During 1957 the patrol issued 909,353 citations, 307,100 of which were for speed violations of the laws referring to driving while under the influence of alcohol.

An analysis of 88,886 traffic accidents occurring during 1957 in the areas patrolled by the patrol reveals that 82,630 or 93 percent of them were charged to traffic violations," Caldwell stated. "The evidence emphasizes the fact that violating traffic laws will eventually lead you to an accident.

On the other side, due respect for the traffic rules will help you stay out of accident trouble and make it possible for you to avoid becoming a traffic statistic."

More than two-thirds of California's No. 1 crop, cotton, is harvested by machines.

YOUR HEIGHT IN SILVER

INCOME FORMS ARE SAID TO BE SIMPLE

"Federal income taxpayers will find it easier to prepare their 1957 income tax return if they have a copy of their 1956 return in front of them," District Director Joseph M. Cullen, said today.

"There is little change in the forms normally used by most taxpayers except for a few points of clarification and generally improved typography," Cullen said.

"These minor revisions are not likely to affect problems which were common to many taxpayers last year and which we were happy to help solve.

"Taxpayers referring to last year's return, while working with 1957 forms and the excellent new instrument booklet, should be able to come up with the right answers without too much difficulty. They can probably do a better job than they think.

"Where new circumstances have developed and present new problems we're happy to help, and a telephone call will probably clear up the trouble. It usually isn't necessary to visit our offices, although help is of course available there to those who have special and complex problems."

Cullen urged taxpayers to file each years returns carefully among their important papers, and to keep with them all person papers, cancelled checks and receipts, which relate to income and expenditure, for at least three years.

Announce Award

CHICAGO — The Justin Ford Kimball award, first of its kind in the health prepayment field, was announced today by the Blue Cross Commission of the American Hospital Association.

The award, a medal and certificate, will be presented annually to the person who has contributed most to the encouragement of the concept of voluntary prepaid health plans. It is a memorial to Justin Ford Kimball, Ph.D., founder in 1929 of the Blue Cross idea, who died in 1956.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe-Truckee Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the Owner, will receive up to but not later than 8:00 P. M. on the 14th Day of April, 1958, sealed bids for the award of a Contract or Contracts for the following items of construction:

"Unit H": Additions to Truckee High School, located on Highway. near Truckee, California, consisting of a nine classroom wing, a Graphic Arts Classroom, a Multi-Puropse Room and Student Lounge, a Band Room and Instrument Storage Rooms, a Shop Building and Miscellaneous Rooms.
"Unit T": A new elementary school located on Highway 40 on property adjacent to the Truckee High School, consisting of thirteen classrooms, a Kindergarten, Multi-Purpose Room and Kitchen, Administration Area, Locker and Shower Rooms, Toilet Rooms, and Miscellaneous Rooms.
"Unit L": Additions to Tahoe Lake School located at Tahoe City, California, consisting of eight classrooms, a Multi-Purpose Room and Kitchen, Locker and Shower Rooms, Toilet Rooms and Miscellaneous Rooms.

Such bids shall be received at the office of the Superintendent, Tahoe Truckee High School, U. S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	Per Diem Rate	Holidays & Overtime
Boilermakers	$3.45	$27.60	$6.90
Bricklayers	3.80	30.40	7.60
Carpenters	3.225	25.80	**
Electricians	3.67	29.36	7.34
Glaziers	2.905	23.24	***
Iron Workers—Reinforcing	3.375	27.00	6.75
Iron Workers— Structural	3.625	29.00	7.25
Laborers — General	2.505	20.04	****
Painters & Decorators—Brush	3.00	24.00	4.50
Plasterers	3.40	27.20	6.80
Plumbers	3.70	29.60	7.40
Roofers	3.00	24.00	****
Sheet Metal Workers	3.45	27.60	6.90
Tile Setters	3.28	26.24	6.56

OVERTIME: Any additonal time worked after the regular work day, Saturdays, Sundays and Holidays shall be considered overtime and paid for at double the straight time rate unless otherwise specified herein.

** For the first four hours after the regular work day, overtime shall be time and one-half. All additional time worked up to 8:00 A. M. and on Saturday, Sunday and Holidays shall be double time.
*** For the first four hours after the regular work day and Saturday morning, overtime shall be paid for at the rate of time and one-half. All other time worked shall be at double time.
**** Any additional time worked after the first eight hours of regular work day and Saturday shall be paid for at the rate of time and one-half. Sundays and holidays shall be double time.

Each bid must conform to the requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Architect, GORDON STAFFORD, 1024½ J Street, Sacramento, California, upon the deposit of $20.00 per unit set, which deposit will be refunded on return of such copies within 10 days after the bids are opened. Bidding may be on individual units and/or combined: therefore, the deposit on a set, comprising the three units, will be $60.00

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the Bidders.

The successful bidder will be required to furnish a Labor and Material Bond in the amount equal to fifty percent (50%) of the Contract price ,and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and or waive any irregularities or informalities in the bidding.

Dated this 17th day of March, 1958.

JACK FELTE
Clerk of the Governing Board of the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT of Placer and Nevada Counties, State of California.

TAHOE WEATHER

TAHOE CITY— With 32 csf of water leaving the gates, the level of Lake Tahoe Monday stood at 6227.98. There were 51 inches of snow on the ground at Tahoe City as a result of recent storms. A total of 15.5 inches fell Saturday and another six inches Sunday. The temperature has varied from a low of 17 on Saturday to a high of 40 on Sunday.

One ingredient is essential to brew exceptional beer...

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

Friday we had lots of snow and it was a bad day here and in the surrounding area. Around four feet of snow Saturday but the weather cleared with sunshine. Not too many skiers up but those that did come had a great time in the new snow.

Coming Back

Ernie Crawford who has been south for about a month, is returning to Tahoe Vista and will open his garage there.

BackHome

Marguerite Ashton has returned to Kings Beach after quite a stay in Pasadena. Also Art Mueler is here from Pasadena and may make his home here.

Polio

Wiley Jones informs me and at the same time thanks those who made the March of Dimes successful that no less than $1126.51 had been donated at North Tahoe.

Wedding

Just had word that Karen Evelyn Johnson was married to Charles Burton Thomas. The bride is the daughter of Mr. and Mrs. Hugh Marvin Johnson of Kings Beach. The ceremony took place in Piedmont Community Church on March 8. The parents have been our neighbors for a number of years.

Firemen's Ball

Pete Vanni tells me that the third annual firemen's ball held last Saturday night at the Tahoe Inn was a huge success. Around 400 attended. It was a fine program with refreshments and dancing and all the fun imaginable til the wee hours of the morning. Pete expressed the thanks of the firemen for all the cooperation.

Visiting

Fred Rockholm's sister and Mr. and Mrs. Herb Allgood of Los Angeles have been here for a week and may stay two more, as they love it so much. They like the winter better than the summer.

Happy Birthday

Last Sunday, Charles Cagle spent his birthday at the lake. His pretty wife, Juanita, came up from Sacramento where she had been staying due to illness but now feels fine.

Reminder

There will be lots of fun at the card party Friday at Carpenter's Hall in Kings Beach. The party is sponsored by the mothers of the nursery school and they will serve refreshments. Tickets may be obtained from any of the mothers or at the door. Hope to see you there.

CHURCH NOTES

TRUCKEE BIBLE CHURCH

Last Tuesday the ladies in the weekly Bible class met at the home of Mrs. W. D. Randall for their study after enjoying dessert and coffee.

Pastor Roades and his family left Wednesday morning for a two week trip where the work of Student Missionary Council will be represented at the Arizona Bible Institute, Dallas Bible Institute and Dallas Theological Seminary.

In the absence of the pastor, Jerrald Barrett, a Christian business man from Reno will fill the pulpit. Sunday school will be under the direction of Wes Boyer and will convene at the usual hour of 10 a.m. The worship service will follow at 11 a.m.

Boundary Peak, 13,145 feet, is the highest mountain in Nevada.

NOTICE

All books in the justice courts are audited once a year and are open for inspection at all times.

Collecting Clothing

The women of the Women's Society of Christian Service held their meeting on March 12 and wish to send out word that they are now collecting clothing for the various missions. Such clothing can be left at the Community Church.

Church Conference

There will be a quarterly conference of the Methodist Church for this area on Thursday, March 27 at the church. A pot puck dinner will be served to all attending.

Bible Study Class

The Bible Study Class of the Methodist Church is still going on under the direction of Rev. Earl Langguth and all members of this class are being greatly enriched in their knowledge of the various books of the Bible, its background and historical events connected to it.

Rotary Conference

Fred Baker, president of the Rotary Club of Brockway, announced to the club members Monday night that elaborate plans are being made for the annual Rotary District Conference. He also informed the members that the Rotary Club of Carmichael has been chosen as the host club for the district conference which will be held on April 13, 14 and 15. This was announced last week by Dr. Robert C. Hall, district governor of Cal-Vada District No. 519 of Rotary International.

Director Ill

Bill Bien, director of public relations for the Lake Tahoe-Sierra Chamber of Commerce, has been confined to his Sierra Pines apartment for the past week with a severe attack of virus flu.

Attends Games

Chamber President Fred Schultz is back from Las Vegas a little hoarse from cheering but otherwise o.k. He drove a load of students to the game in his new DKW. Schultz reports a pleasurable trip and excellent weather.

At Tournament

Chamber Secretary Gwen Robinson was another visitor to the tournament. She chaperoned a car load of students and reports that an enjoyable trip was had by all. Side trips to Lake Mead and Death Valley added to the enjoyment.

TRUCKEE PUBLIC UTILITY DISTRICT
A Tax-Saving, Public Service Enterprise

TAHOE TRUCKEE SCHOOL NEWS

Truckee Elementary

KINDERGARTEN: We have started our woodwork projects. The boys are making chairs from orange crates and the girls are painting the parts for our train.

FIRST: We have a new student in our room, Curt Wurst. The boys are glad he came because he is a good kick-ball player.

Dolly Boyer, Peggy Trujilla, Donnie Schuler and David Caper are beginning a new reading book. They like the book very much.

FIRST AND SECOND: Jill Wurst joined our second grade class on Wednesday. She has been attending school in Colusa.

Second graders with a perfect score in spelling Friday were Michael Borden, Shirley Davis, Kenny Bretthauer, Kathie Hart, Michael Davis, Wilbur Glenn, Judy Ingalls, Elgin Johnston, Jennifer O'Bear, Michael Kydd, Rosa Pinedo, Jerry Neugebauer, Linda Russell, Karel Sauby, Tommy Romo, Victor Rice and Jill Wurst.

Bruce Leamon and Rod Farley are absent due to the flu. We hope they will soon be well.

SECOND AND THIRD: Bruce King, Ronnie Walker, Charles Collier, Wayne Mosby, Mary Ann Moore, Darlene Doolittle. Darlynn Ingalls and Pamelia Horman are making graphs and learning how to read them. At present they are using them to note their improvement in arithmetic.

We played some rhythm band selections recently. Phillip Risden and Danny Funk played the drums, Darlene Doolittle, Mary Ann Moore Dennis Crandall and Marian Ayal the xylophones, John Gholson, Teddy Daniels and Henry Frates the tamborines, Diane Daly, Barry Waters, Pamelia Horman, David Higgins, Ronnie Walker and Bruce Ayala the triangles, John Clark and John McGlade the sticks.

As this is conservation week. we made books after talking about many phases of it.

We visited the post office on Tuesday. We mailed letters which we had previously written and Mrs. Bavier explained the office procedure to us.

THIRD: Our star spellers this week are Bill Waters, Dennis Richards, Gail Englehart, John Goldsmith, Kathryn Braasch, Mary Braley, Russ Glenn, Susie Olano and Vicki Crandall.

We are sorry to lose a classmate Sandy Miller who is in the hospital. We hope she gets well soon.

Tim McLane has headed for Death Valley with his family. He promised to return with a snake for the class to observe.

Kathryn Braasch is class president and Gary Kehm in vice president.

FOURTH: Leading the success parade for the week, the following persons did a fine job in social studies: C. Ayala, S. Borden, W. Dallas, D. Douglas, J. Randall, J. Sturcke and F. Wilson. Spelling produced the surprise of the year when only one of the class did unsatisfactory work. In keeping desks clean, Karen Walker repeatedly takes honors for neatness.

SIXTH: Since last week was conservation week, we brought pictures for our bulletin board illustrating various phases of conserving. Mr. Saarni of the U. S. Forest Service brought us a movie about the "Great Conserve." This movie showed us many different things to save—water, wild life, forests and minerals.

Kings Beach School

KINDERGARTEN: Together with Mrs. Corbin's class, we saw four movies this week—The Little Red Hen, Airplanes, The Black Bear Twins and Spotty, the Fawn.

Gary Martin brought a beautiful daffodil for the class to enjoy. We learned a song called "Yellow, Yellow, Daffodil."

FIRST: Tony Combs has returned from Richmond. This week we started a new unit on wheels. We are building a train now. We saw the Conservation film yesterday.

SECOND and THIRD: Dwight Combs is back with us again. He spent the winter at Richmond. We are glad to have him back with us.

Mrs. Wing spent two days in Las Vegas. She went to see the Tahoe Truckee basketball team play in the tournament. Mrs. Price taught in her absence.

THIRD AND FOURTH: All of the third grade passed the arithmetic test on multiplication and division by 2's and 3's. The fourth grade is working on story problems.

FIFTH AND SIXTH: Conservation Week was observed by discussions and a movie presented by the Forestry Service by Mr. Don Renton .

Tahoe Lake School

KINDERGARTEN: Marvin Banta has moved to Tahoe City and has joined our kindergarten.

FIRST AND SECOND: We have two new boys in our room this week. They are both in the first grade. Joe Avila is from Sparks and James Banta is from Mountain View.

Something surprising has happended to the hyacinths we planted last week. They have started to grow and we did not expect this for several weeks. We are all watching very closely for the first flower!

The following people made 100 percent in spelling in the second grade this week: Gary Albin, Mike Burmer, Tommy Carnell, Jim Caulkett, Erik Henrikson, Tommy Hoff, Bro Shontz, Karin Meixner and Mike Dempsey.

SECOND AND THIRD: Second and third grade winners for the week's top fine art contest were Barbara Nielsen, Jon Caulkett, John Carnell and Lynn Harper. Top grade in arithmetic comprehension went to Marty Spitsen both in oral and written responses.

The best science story written from recall was done by Vicki Jones of the third grade and Ernie Marier of the second grade.

FOURTH: Alex Cushing is again our champ for the week in spelling. Eighteen children received perfect scores in weekly spelling tests.

The following children received A's in a social study test: Paul Cincotta, Alex Cushing, Karen McBride, Cathy Conners, Dick Nielsen, Kristin Meixner, Jean Hallifax and Jeffery Sutton.

FIFTH AND SIXTH: We have a new boy in the sixth grade. He is Robert Avila from Sparks, Nevada. Welcome, Robert.

Those receiving 100 percent in spelling were Don Bury, Jayne Shontz, Ed Hoff, Barbara Hampton, Greg Moore, Peggy Yeager in the fifth grade, and Mike Bauleke, Eddie Gill, Chipper Marvin, Jimmy Kimball, Howard Cincotta, Kim Turner, Joe Hoxsie, Robert Avila, Dottie Ronan, George Day, Sandra Riggs in the sixth grade.

The two choir members chosen for "Doney Gal" are Roger Michener and Jayne Shontz.

The harmonica band has been cancelled.

MENU MAR. 21 TO MAR. 28

FRIDAY, MAR. 21: Sirloin tips and mashed potatoes, lettuce salad, buttered beans, fruit jello. French bread and butter, milk.

MONDAY, MAR. 24: Meat loaf, cabbage and carrot salad, buttered peas, fruit compote, French bread and butter, milk.

TUESDAY, MAR. 25: Stew, buttered beets, peaches, whole wheat bread and butter, milk.

WEDNESDAY, MAR. 26: Hot dogs, green salad, buttered corn, fruit jello, milk.

THURSDAY, MAR. 27: Chili beans, cottage cheese and peaches, buttered carrots, cornbread and butter, milk.

FRIDAY, MAR. 28: Macaroni and cheese, celery and peanut butter, breaded tomatoes, pineapple and grapefruit, bread and butter, milk.

Questionnaire Prepared For Sierra College Aid

Sierra Junior College authorities today are mailing to business and professional firms in Placer and Nevada Couunties an occupational questionnaire to determine the actual employment needs and opportunities of the areas from which the most students are drawn.

Frank Van Vliet, director of the program, states results of the survey will be used to help employment practices, strength course offering, and assist in future job placements.

He urges all firms to cooperate in filling out forms they should receive this week, and returning them for study and consolidation.

James E. McClusky, registrar, states the Tahoe-Truckee area currently has 10 students enrolled at Sierra for the spring term.

IT'S Girl Scout COOKIE TIME!

STRICTLY STRICKLAND

By Bill Strickland

I don't know what you think about it, but from where I stand, it looks like spring will be a little late this year. If the 12 feet of snow in my front yard melts before the middle of June it will be a surprise to everyone in this household. Snow is wonderful and welcome in December and January—but when five feet dumps down in the middle of March—who-e-e-e.

—O—

Our skiers from the west certainly did well in the two big western meets— Gardner Smith, Kenny Lloyd, Dick Dorworth, Beverly Anderson and Mary Ann Tonini all placing either on top or in the top ten in both the Roche Cup at Aspen, Colorado, and at the nationals at Ogden, Utah. All very fine representatives from the FWSA.

—O—

Our mountain top juniors are all back at Winter Park, Colo., training for their big competition this coming weekend. All should do well and though the outcome is questionable, we'll attempt picking the winners, or the top ten finishers:

In the boys Alpine events, we pick Gary McCoy and Kit Schull to tie for first in downhill. Kit to win the slalom, with Don Murphy, second. Combined winner—Kit Schull, Gary McCoy, second and Don Murphy third.

In the girls' division, we think Starr Walton will be a shoo-in first downhill, first slalom and first combined. Pat Nast, Smiley Tschopp and Mary Helen Reich will, we predict, all place in the top ten.

In the Nordic events, we naturally have Bob Strickland pegged for first in the cross country—you may think we're biased, but if you look at past performances, you'll find he was either on top or in the top four in all of his meets. His broken leg last year kept him out of competition so even though he missed a lot of experience, he still managed to come along and be one of the four best, selected from all of California, Arizona and Nevada.

In jumping, we expect Danny Hedlund from South Tahoe to prevail and along with high placement in cross-country, to be in the top three in the Nordic combined.

A lot of people can't understand why there is so much desire in this junior competition. Look at it this way. These youngsters are merely the equivalent of the high school All-Americans of football, basketball, track or any other comparable sport at lower elevations. They are the best in the west and are certainly deserving of the small recognition they receive. They're all future champions and you can be very proud of them—every one.

—O—

A familiar face around the mountain last week. One of the best liked and most popular gentleman that ever mixed a martini. We're referring to Werner Willitstein of course. "Dutch" prevailed for a while at the Sugar Bowl. From there he presided at the Claremont in Berkeley for over ten years, now finally to return to Soda Springs Hotel. When I think over the years I've known Dutch, I think one of the funniest incidents occurred during the filming of the Greta Garbo story "Two Faced Woman." Word was passed around that La Garbo was arriving to size up the two girls who were to double for her—Yvonne Blossom and Shirley McDonald. Dutch of course, did the star impersonation an dlet me tell you, Vonny and Shirl were really in a tizzy until they found out Werner was the one, who shouted loudly: "Ave vant to zee mine doubles-" Welcome back, Werner.

—O—

This coming Saturday will see the running of the fifth annual Sacramento Bee Silver race and race of future champions for the juniors .There will be some new names etched on that big ski, what with 25 of the top performers being back at the junior nationals. The ones who have competed every year and came so close will really have their chance this year.

I have just mailed in entries for three speedsters from Soda Springs—Tom Terkildsen, 12, jr. III boys; Patty Kelly, 10, jr. IV girls and Billy Strickland, 9, jr. V boys. These Bee races are classified as fun races but believe me every one of these youngsters from the 17 year olds right down to the 6-7 and 8 year olds fight every inch of the way and, if you've never seen the little ones weave their way through 35 or 40 control gates at speeds up to 35 or 40 miles an hour, you've missed some wonderful sights.

SIERRA SUN ADS PAY!

VFW AUXILIARY TO ELECT MARCH 26TH

KINGS BEACH—Regular meeting of the Ladies Auxiliary to the VFW, Post 7077, was held March 12 at Crystal Bay Club with Past President Ethel Antonson presiding in the absence of President Pearl Moore.

A report on the recent district meeting held at Fernley was given by Vera Wood, Nola Denny and Bernita Jones. Treasurer Bernita Jones requested that all members who have not contributed their $1 for natiinal cancer fund to do so before March 21 to meet the commitment made to the department.

Louise Walter was appointed as chaplain pro-tem to serve for the balance of the term.

Election of new officers will be held March 26. Past Department President Virginia Gionatti will be installing officer at the Installation services to be held April 13.

Mrs. Antonson reported plans for the gift bazaar to be held in November are progressing well, with offers of "white elephants" already coming in. Jean Cinani was winner of the attendance award.

Following the meeting refreshments were served by Jean Cinani and Wanda Brooks.

Food Sale Planned

KINGS BEACH— The Ladies Auxiliary of VFW Post No. 7077 will hold a bake sale on Saturday April 5 at 10 a.m. at the Stop 'N Shop Market at Kings Beach. The money derived from the sale will be used for community service work. All members of the Auxiliary will furnish something for the sale and have been asked to ask a friend to help on the sale.

Barbara Bergman has been appointed telephone chairman and Pearl Martin was appointed as the sales chairman.

Mrs. John Russell of Salem, Mass., wrote a note telling of their interest in the Sierra Sun and enclosed a picture of the well known "Witch House" in Salem where she has served as hostess for many years.

Letter to the Editor

Dear Editor:

On behalf of the Placer County Tuberculosis and Health Association, I wish to thank the following groups for the individual help given in tuberculin testing program just completed.

The newspapers for their generous allotment of space to our stories and pictures, radio stations for the announcements urging parents to return the consent slips and to have the children in school to receive the test. All PTA groups for the wonderful volunteers who worked so long and hard doing so many necessary jobs and doing them so well.

The school nurses and public health nurses who worked long on this project. Without these girls it could not even have been started

The board of directors of the TB Association feel that this is an important health service and are happy to have it so well received.

Thank you all, without the help of every one of you it could not have been done.

Sincerely,
Marian Perry, President

Sentenced to Jail

TAHOE CITY—Raymond Dixon of Truckee was sentenced to serve 70 days in the Placer County jail when he appeared before Judge Harry Charrison on charges of being intoxicated, disturbing the peace and driving without a license. He was arrested at Squaw Valley by Sergeant Robska and Woody Burison on March 13.

Event Observed—

Mr. and Mrs. George Kenyon celebrated their wedding anniversary on March 18.

TELEPHONE NIGHT WATCH — how we stay on the alert around the clock to make sure your telephone never dozes

You've settled down for the night. The streets grow quiet. Life comes to a gentle halt. But in the darkness a few lights still gleam. Among them, those in your telephone building. For your phone is very much awake and we're standing a night watch behind it. Operators are ready to handle any call. Testmen are alert to any sign of trouble. And cable "doctors" like Herb Stettler and Joe Smith, top picture, are ready to take care of telephone life lines that tie you to hospitals, police stations and such. Every second of every day and night, 365 days and nights a year, phone people are watching after your service. It's another way we are constantly working to bring you dependable telephone service.

Working together to serve you better ....

To California

a glass of beer is many things

Los Angeles—famous for its intricate network of modern freeways. Another familiar sight, one that "belongs" in our state is a cool, refreshing glass of beer. It's a favorite of millions.

But a glass of beer means more than enjoyment. Last year taxes on beer in our state amounted to $16,200,000. That's enough to build a new 2-lane highway from San Francisco to Yosemite. And since a good part of the Brewing Industry's taxes goes into our highway system, it's obvious that beer is paying its way—for the good of our state.

United States Brewers Foundation
Chartered 1862

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Nursery School Party

The mothers of the nursery school plan a card party at the Community Center on March 22 at 8 p.m. The purpose for this party is to raise funds for toys and equipment to help make the nursery school more efficient and helpful to the small children of the area. Cards will not be the only thing on the program. Other games will be available to those who do not care for bridge or pincohle an dprizes will be given If nothing else tempts you the refreshments should — homemade cake and hot coffee. Souds like a very pleasant way to spend an evening and help out the nursery school at the same time.

To Grand Central

Photographer Pete Gale of the Eastman Kodak found scenery and models in this area excellent. A picture using Prosser Creek as the setting and local models for the interest in the picture, will appear in Grand Central Station, New York in the size of 18 feet by 60 feet. Attired in ski outfits and making a very colorfuul study were Darlinda Stark, Anna Marie Conners, Vicky Jones, Dick Nielsen, ZoeAnn Jensen, Bonnie and McIvin Jones, Phil Thompson, John Jensen and Dave Fritchie. Can't think of a better area for picture, can you?

Snow Shoe Obstacle Race

During the past Sunday there was an event to end all events—the snow shoe obstacle race held on the Tahoe City Golf Course. A bevy of beauties attired in red flannel longies, with individual touches of ingenuity, made up the Women's Club team. Some of the ladies added shorts, hats, bathing suits and sweat shirts. Those on the team were Doris Clarke, Martha Snyder, Beccy Shontz, Ruth Lee, Dottie Caulkett, Marge Fellows, Edna Obexer, Martie Rieck and Virginia Wilson. Competing against the women and not doing nearly as good a job was the Tahoe City Rotary team made up of Bill Conners, Bill Bechdolt, Don French, Steve Korich, Ralph Bly, Gordon Moyer, Marshall Ruhkala, Tony Donadio, Don Snyder, Harold Farr, Jay Shontz, and Ric Giannini. Also entered in the event was a nice representation from the North Tahoe Women's Club: Lois Wilson, Louise Morrish, Marian Martin, Helen Ehlers, Millie Plevell and Winnie Hall. Some of these ladies had to face the obstacle twice to make up the number of team runners required, as if once through this tripping, falling, rolling course wasn't enough. About 200 onlookers laughed themselves sick at the comedy which took place on the course. The award of a large silver cup presented as a revolving trophy by the Tahoe Tattler, was made at Tahoe Inn and was filled to the brim with champagne which was appreciated by all the members of the winning Tahoe City Women's Club team. This is to be an annual event and next year's representation from service clubs in the entire area is expected to be great. A comment was made that this would be an excellent addition to the Winter Olympics. It would certainly lend a touch of humor to say the least. Hats off to all who made up the teams and worked on the race. It rather bright ened the rather cloudy, misty day.

Dance Big Success

The annual Firemen's Ball was a huge success with the Tahoe Inn filled to capacity Saturday night. The firemen would like to thank all of the people who sent in their contributions in answer to the letters sent out and also to all of those who attended the dance and made it the success that it was. There was a wonderful turnout not only from Tahoe City, but from Truckee, Kings Beach and the surrounding areas. The big crowd enjoyed dancing to the music of the four-piece band. The decorations which were very artistic and added a great deal to the atmosphere, were made by the wives of the firemen. These decorations consisted of top hats, firemen's hats, axes, shamrocks, caricatures (done by Jack Dunne of all the firemen, an Irish girl and boy about three feet tall decorated the back bar and overhead of the band was a green and white canopy made by Dan Mawhinney and by the girls with green and white streamers. One of the main atractions was the large old-fashioned fire engine drawn by Pat Vanni, which covered an entire window in the lobby.

Cookies All Sold

The Gir lScouts and Fly-ups are Brownies would like to extend thanks to all of you who helped to make their cookie sale such a success .Everyone cooperated. The mothers and some fathers of the girls drove them around to distribute the cookies and some grocery stores helped to sell .It is this type of working together that helps make this community one we can be proud of.

An Outing

The Girl Scouts an dFly-ups are going to enjoy an outing Saturday and also derive some educational benefits. These two groups, headed by Bernice Giannini, Afton Sprauge and Martha Snyder, will take a trip to Carson City where they will visit the museum with its collection of relics from the old west. After the tour, the girls will go to Carson Hot Springs for a swim and lunch.

Honors Bestowed

The Girl Scouts were awarded their pins and achievement badges on Tuesday at a party given by Naomi McLane. The 12 girls have been working on projects at home to complete requirements of the Scouts and were awarded the badges for their fine work.

On Critical List

Much to the sadness of her family an dfriends, Celeste Daniels sister of Marie Henry, is still on the critical list at St. Mary's Hospital. She has been in a coma since March 9th and is allowed only visits from her family.

Spring is Here

According to the calendar, spring is just around the corner and from the looks of the weather this past week it's a mighty long corner. But don't get discouraged as sure as there's winter there's spring. If the weather makes you feel gloomy think about the small sentence by Thackeray: "Life is a mirror; if you frown, it frowns back; if you smile, it returns the greeting."

2.98	Blaster - powderman
3.62	Boom type backfilling machine operator
2.705	Bootman
3.00	Boxman (asphalt plant)
3.225	Carpenter
2.605	Cement dumper
3.22	Cement finisher (journeyman)
2.755	Chainsaw operator, faller, logloader and bucker
3.055	Combination bootman and road oiler
2.89	Compressor operator
3.25	Compressor operator (2 to 6)
2.89	Concrete mixer operator (up to one yard)
3.25	Concrete mixer operator (over one yard)
2.98	Driller (diamond, core, wagon and track driller)
2.605	Driller's helper, chuck tender, outside nipper
3.75	DW 20 tandem scraper operator
3.48	Euclid operator, T pulls, DW-10, 20 or 21
2.89	Fireman in hot plant
2.505	Flagman
3.33	Heavy duty repairman
2.755	Jackhammer operator
2.505	Laborer
2.505	Limber, brush loader and piler
3.30	Mechanical finisher or spreader machine operator (asphalt)
2.605	Operator of vibrators and all pneumatic, gas and electric tools
3.55	Operator of power shovel, dragline, crane, clamshell, backhoe (up to and including one yard)
3.62	Operator of power shovel, dragline, crane, clamshell, backhoe (over one yard)
3.625	Ornamental iron worker
3.00	Painter
2.755	Pipe layer, cauker, bander
3.55	Power blade operator
3.35	Power saw operator
3.375	Reinforcing iron worker
2.755	Riprap-stonepaver and rock slinger including placing of sacked concrete (wet or dry)
2.705	Road oiler
3.30	Roller or self-propelled compactor operator
3.35	Saw filer
3.19	Scoopmobile operator (when used as a hoist)
3.33	Scoopmobile operator (when used as a loader)
3.00	Screed man
3.30	Small rubber tired tractor operator
3.33	Small tractor operator (with boom)
2.89	Spreader boxman (with screeds)
2.605	Sloper
3.625	Structural iron worker
3.33	Tractor operator (dozer, scraper, compacting equipment and push cat)
3.55	Tractor operator (boom) (D-6 or larger and similar)
3.62	Tractor operator (tandem scrapers)
3.62	Tractor operator, compressor drill combination
3.48	Tractor loader operator (up to 2 yards)
3.62	Tractor loader operator (2 yards and over)
3.33	Trenching machine operator
3.33	Truck type loader operator
2.55	Truck driver (less than 4 cubic yards water level)
2.69	Truck driver (4 cubic yards and less than 6 cubic yards water level)
2.90	Truck driver (6 cubic yards and less than 8 cubic yards water level)
3.10	Truck driver (8 cubic yards or more water level)
2.55	Truck driver - flat racks under 10,500 pounds, including pickups
2.725	Water truck driver - under 2500 gallons
2.825	Water truck driver - 2500 gallons and under 4,000 gallons
2.925	Water truck driver - 4,000 and over (including semi trailer)

Any classification omitted herein not less than $2.505 per hour.

Overtime—not less than one and one half (1½) times the above rates.

Sundays and holidays—not less than one and one half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all hoildays recognized in the collective bargaining agreement applicable to the particular craft, classification of type of workmen employed on the project.

Plans, specifications, and standard proposal form to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

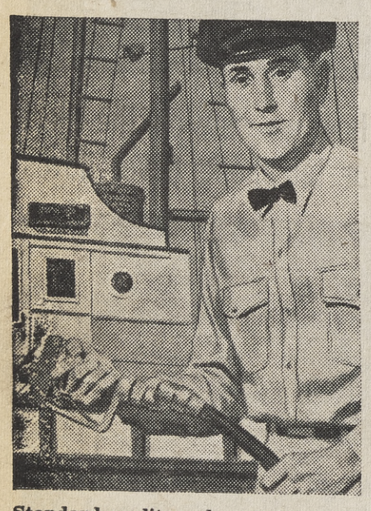
11,028 independent businessmen like these serve you better with Standard's help

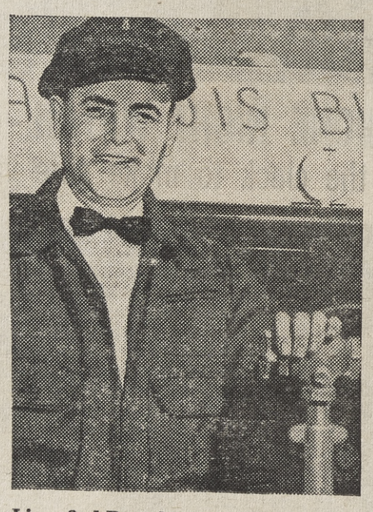
Wholesale distributor Bob Evans, Mesa, Arizona, uses a plant provided and maintained by Standard. We help Bob develop new business and back him with engineering assistance on his customers' lubrication problems.

Robert "Bob" A. Juner, San Francisco, operates his own service station. We supply him with business forms, maps, lube guides and major equipment. Bob makes good use of Standard's training programs to improve his service to you.

Standard's special Aviation Divison helps airport dealers like Frank Kelsey, Salt Lake City, Utah, with wind direction indicators, flight guides and credit card service . . . all welcome conveniences to his customers.



Standard credit cards make it possible for independent marine dealers like Joe Faires, Port Angeles, Washington, to honor charge accounts. When fuel and lubrication problems arise, his customers can rely on help from Standard's engineers.



Liquefied Petroleum Gas dealers like Louis Marx, Atascadero, California, find our operations manual helpful in almost every phase of his business . . . especially when it comes to saving customers time and trouble on deliveries.

Keith L. Tweedie, Salem, Oregon, is a heating oil distributor. Our complete program shows him how to set up an accounting system, handle credit, cut operating expenses and give you the cleanest, most convenient service possible.

"Big Business" creates opportunities for "small business." With each doing the job for which it is best qualified, both are able to operate more efficiently . . . give you better service. In our particular case, here's how it works.

Standard research and manufacturing skill assure quality products. In turn 11,028 distributors of Standard products — represented by the six Western independent businessmen above — help bring you these products in the U. S., Alaska, Hawaii, British Columbia and many other parts of the Western Hemisphere.

Because these independent businessmen perform an important service for us, we assist their efforts with technical help, suggested operations procedures, advertising and merchandising support. Thus by helping them to help themselves, we are *both* able to serve you even better.

STANDARD OIL COMPANY OF CALIFORNIA

plans ahead to serve you better

HOW TO DRIVE

A tip from the AAA's driving guide for adults.

KEEP PACE WITH TRAFFIC

According to the American Automobile Association's motoring book for adults, HOW TO DRIVE, the best drivers keep pace with the traffic around them. If you drive faster or slower than the general flow of traffic, you create hazards, especially by increasing the amount of passing you do or the number of times you must be passed by other cars. Snail drivers are almost as bad as speeders. They may not be involved in as many accidents themselves, but their disregard of the rights of other highway users causes some people to take foolish chances. For maximum safety, keep pace with the general traffic.

© AAA

PLANS STARTED TO HOLD CLASSES AT TAHOE THIS YEAR

Plans to take care of the anticipated record summer session enrollment at Sacramento State College were announced today by Dr. H. J. McCormick, dean of educational services and the summer session.

Preliminary estimates indicate an enrollment of over 3000. This includes attendance in the regular six-weeks session on the campus June 23 to Angust 1, the Tahoe session at Kings Beach from July 7 to August 15, and the special workshops and travel-study tours in the post-session beginning August 1.

Dean McCormick pointed out that approximately 115 faculty members will be teaching over 250 courses. The expanded program is designed to meet a wide variety of needs of both graduate and under-graduate students. Degree requirements in many major fields, teaching and school service credentials, and elective courses in liberal arts, as well as advanced work toward the MA, MS degrees will be offered.

Areas of instruction will include anthropology, art, business administration, economics, education, English, geography, government, health education, history, humanities, journalism, law enforcement, life science and natural science, mathematics, music, philosophy, physical education and athletics, physical science, psychology, recreation, social science, social work, sociology, speech arts, statistics, and safety education.

NOTICE OF REQUEST FOR BIDS

NOTICE IS HEREBY GIVEN that sealed bids, in duplicate, will be received by the Board of Directors of Truckee Public Utility District, Truckee, California, at the office of the District, Main Street, Truckee, until 3 P.M., April 10, 1958, for the purchase by this District of a load of poles in accordance with the specifications therefore which may be obtained at the office of the District. APPEAL IS MADE TO AID EASTER DRIVE

AUBURN—No man or woman of normal conscience would walk away from a crippled child in distress.

That is the basic assumption behind the annual Easter Seal drive in behalf of the handicapped, according to Les Bruck, general chairman of the 1958 appeal in Placer County.

The creation by Chicago artist, Earl Gross, of Our Little Easter lady is the central feature of the Easter Seals that will go into the mail soon to remind folks of their once-a-year opportunity to help crippled children. This well groomed young lady is about 10 years old. She'll be dressed in a neat, crisp pinafore, looking as though she is all set to go to Sunday school on Easter morning.

Something else you will notice is the brace on one of her legs, and her crutches and a roller skate.

She is drawn in a sitting position with her crutches lying next to her out-stretched, brace-encased leg. One hand fingers a roller skate, and the wistful look on her pretty face says all that need be said—of her yearning for the the day when she can discard brace and crutches and skate down the street with the other children.

Les Bruck said of the girl on this year's seals: "Looking at her, people can't possibly miss our message."

PATRONIZE LOCAL STORES

APRIL 15 IS DEADLINE FOR FILING TAX FORM

The deadline for filing state income tax returns Tuesday, April 15, should be circled on the calendar, Robert C. Kirkwood, chairman of the franchise tax board, today reminded taxpayers of the state.

"Everyone who received sufficient income during 1957 to require the filing of a state return should keep that date in mind. Forms have been mailed to all taxpayers who filed last year," Kirkwood said.

The tax board chairman, pointed out that all single individuals who earned $2000 or more, and all married couples whose combined income was $3500 or more, must file returns.

"The board wishes to cooperate with taxpayers of the state in every possible way," Kirkwood declared. Taxpayers who need help with their returns may call at any of the local offices or write to the franchise tax board office, 1025 P street, Sacramento, for free assistance.

CHAMBER TOPIC

"No Rest for the Roadside Rest," "Winter Olympics Progress," "California Riding and Hiking Trails Project," and "What's Doing in Winter Sports?" will be topics of concern ot the travel and recreation section headed by Ned Richardson and Don C. Huff at the March 21 meeting of the state chamber of commerce at Hotel Senator, Sacramento.

Home from Hospital —

On St. Patrick's Day, Mr. and Mrs. Mel Thornton returned from Woodland where Mrs. Thornton had been receiving treatment for a painful back condition. En route home, the Thorntons visited with Mr .and Mrs. Jack Thornton and children at Sacramento.

IN Hospital—

Rex Thomas is reported to be receiving treatment at a Reno hospital for a recurring illness. Mrs. Thomas is continuing their jewelry business here during his absence.

Returns Here—

Mr. and Mrs. William Stewart who have been in Corvallis, Ore., have returned to Truckee where he is employed with the Tahoe Forest Service.

Many Happy Returns—

St. Patrick's Day was cause for a double celebration for several local people who had birthdates on the holiday. They include Mrs. Joe Mattos, Mrs. Winifred Kamp and Mrs. Richard Walker.

Rain at Blue Lake—

Heslin Cardinal wrote that Blue Lake region has had about 70 or 80 inches of rain and that it is not over for the season. Cardinal, who has had extensive experience in the snow, said he has seen enough rain to last him a lifetime.

Card Club Monday—

The Monday Club met at the Meadow Park home of Mrs. Lauren Russell when the group enjoyed games. The hostess served refreshments at the close of the pleasant affair.

Senator Johnson In Congress Race

SENATOR JOHNSON

State Senator Harold T. Johnson of Roseville today announced he will seek election to the house of representatives from the Second California Congressional District.

The 19 county district is comprised of Alpine, Amador, Butte, Calaveras, El Dorado, Inyo, Lassen, Mariposa, Modoc, Mono, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Tehama, Trinity and Toulumne counties and is the largest congressional district in the state, extending from the Oregon line to the Mojave desert.

Senator Johnson, a democrat, who for the past ten years has represented Nevada, Placer and Sierra counties in the state senate, said he will seek both the democratic and republican nominations. He was elected to the state senate in 1948 and was twice re-elected without opposition.

As a member of the senate, Johnson has been most active in legislation concerning the development and protection of the state's natural resources and is regarded as an authority on water problems.

Senator Johnson was instrumental in obtaining the selection of Squaw Valley as the site of the 1960 winter Olympics, having authored legislation creating the Olympics Commission and providing funds for the development of the site for the winter games. Through his efforts, great strides have been made in the development of Highway 40 into a four-lane divided highway between Sacramento and Reno.

Concerning his candidacy, Johnson said:

"I believe my 20 years experience in elective public office as a member of the school board, as mayor of my community and on the state level as a member of the legislature, qualifies me to serve as a member of congress.

"Because I have represented a large part of the second congressional district in the senate of California, I am familiar with the problems of a good portion of this district. Particularly, I am aware of the necessity of conserving our natural resources and properly developing them. I am keenly cognizant of the water problems, the need to develop water projects and at the same time protect our mountain counties' interests. I have worked closely with Congressman Engle on water and other problems. As a result, I believe I am better qualified to take his place than any other candidate for congress in the district."

WOLVERINES

Continued from Page 1

championship.

The Wolverines again couldn't find the hoop in the early quarter and trailed 19-5 at the end of the first period. The second quarter was almost the same as the mountain men's offense was cold as a turkey in a delicatessen, the result of which saw Vegas lead 37-13.

In the third frame, the Wildcat reserves played continuously and the Vegas lead was 55-28. Finally the Wolverine offensive ability began to show but a little too late. The Wildcats went on to win 65-49.

Outstanding play by Wolverine Ken Vaughan and Floyd Cooper covered their offensive power. As Berger Nelson kept up his regular rebounding ability, the Wolverines had possession. Guards Ken Osburn, Dean Holbrook, and L. J. Robinson kept feeding the ball into the big boys and added some points here and there also. These boys won't be on high courts any more but watch for them on the college sports scene.

The Wolverines compiled a 13-5 record in regular season play while establishing a 4-2 record in zone play, thus leaving a 17-7 record overall.

Much credit, as you have probably seen is to be given to Coach Jim Brehler who has brought Tahoe Truckee so far. This team likely will be the best to come for a long time at TnT. It's taken a long time of hard work and effort of Brehler's part along with his boys to build such a team.

Returning on next year's squad will be Craig Robinson, Allen Young, Gary Holbrook and Rex Donaldson, along with some of this year's JV team.

NEIGHBORHOOD GIRL SCOUT LEADERS MEET

The regular meeting of the Truckee Neighborhood Girl Scout adults was held on Tuesday, March 11. Miss Grace Donehower, executive director, and Mrs. Irwin Rauser, neighborhood co-ordinator, visited from Reno.

Discussion was held relative to the possibility of holding a Brownie Scout Day Camp in the Truckee area sometime this summer. Mrs. Lauren Russell was appointed chairman of a committe to meet with the mothers of the registered Brownies to discuss the day camp.

Mesdames Dan Horman, Robert Leamon and Charles O'Bear were appointed as a temporary nominating committee to present a slate for election of a Neighborhood chairman, council delegate and alternate at the April 8 meeting. All registered adults in the Truckee Neighborhood are voting members.

At the present time the following Girl Scout Troops are registered in the Truckee Neighborhod: Brownie Scout Troop No. 130 and Intermediate Scout Troop No. 131 under the leadership of Mrs. Fred Pedley. The 20-30s are sponsoring the Brownie Troop. Donner Troop No. 132, Intermediate Scouts, is under the co-leadership of Mrs. Robert Leamon and Mrs. Frank Giovannoni. The Truckee Rotary Club sponsors Donner Troop.

COURT RULES

Continued from Page 1

ly done in 1932, (for the Olympics in Los Angeles) considered the holding of them in California a distinct public purpose and for the general welfare and advantage of the people of this state, as well as in the interest of international good-will."

He also ruled, in answer to the charges by the Poulsens' attorney, that statutes providing funds for a state park at the Olympic site are legal.

"In other words," he reported, "this park, the legislature dedeclared, would constitute a winter sports area unequaled in the United States, would provide a year round recreational center for the people of California and as a permanent state park would provide inestimable and lasting benefits to the people of the state."

"The games appear to be public in the broadest sense of the word, inasmuch as they are open to participation by the representatives of many nations. Even if there were a doubt on this subject, the determination thereof was primarily for the legislature."

The battle for land in Squaw Valley on which to stage the Olympics began over two years ago. Last fall construction of flood control work was started on the 10 acre parcel to which the state was granted immediate possession. The major construction work is expected to be carried on this year.

Patients Here—

Billy, young son of Mr. and Mrs. William Fordham was a hospital patient last week, now improved in health.

CARD OF THANKS

To the wonderful friends who sent the kind messages and gorgeous flowers during my illness, I wish to express my very sincere thanks.

Mrs. Mel Thornton.

CARD OF THANKS

The Tahoe Truckee High School Wolverine Basketball team would like to take this opportunity to thank every individual, service club and business establishments which helped to make our recent trip to Las Vegas and the state tournament possible. We enjoyed the experience and appreciate your efforts in helping us to achieve this long desired goal. Thank you.

Tarzan

by EDGAR RICE BURROUGHS®

HOPING TO SOLVE OLU'S DEATH, WHICH HE BELIEVED TO BE A DISGUISED MURDER, THE APE-MAN FLOATED A LOG DOWNSTREAM.

FURTHER DOWNSTREAM, TARZAN SUDDENLY CAUGHT A SCENT-- COULD THIS BE THE FATAL MOMENT-- AND WOULD HIS SCHEME WORK?

"BWANA! IT IS A WHITE MAN THIS TIME!" SHOUTED THE NATIVE. "SO WHAT!" PIERRE SNEERED. "IS THE 'CROCODILE' PARTICULAR?"

PIERRE AIMED QUICKLY, THEN FIRED-- AND THE TWISTING FIGURE FELL INTO THE WATER!

"I'LL GET THE LOG ASHORE," SAID PIERRE. "YOU HURRY AND TAKE CARE OF HIM-- THE FULL TREATMENT!"

DICK VAN BUREN
JOHN CELARDO

TARZAN, HOWEVER, ONLY FEIGNED DEATH. HIS KEEN SENSES HAD SAVED HIS LIFE... FOR THE MOMENT!

NOW, TO HIS ASTONISHMENT, HE SAW THAT THE NATIVE INTENDED TO SLASH HIS BODY WITH CROCODILE TEETH-- THIS WAS HOW PIERRE DISGUISED HIS MURDERS!

Featuring BATHLESS GROGGINS

by RAEBURN VAN BUREN

RIP VAN (BATHLESS TO YOU) GROGGINS HAS TAKEN A SNOOZE — TO WAKE UP TWENTY YEARS YOUNGER!!

BLARST ME SKY-BLUE EYES, I'M TWENTY YEARS YOUNGER'N I WAS A COUPLE O' HOURS AGO. AND INSTEAD O' BEIN' YOUNG WOMEN, SUE AND BECKY ARE THE CUDDLY KIDS THEY USTA BE!!

BY SOME MIRACLE I GETS THE PRIVILEGE O' LIVING MY MISERABLE, WASTED LIFE OVER AGAIN!! THIS TIME IT'S GONNA BE DIFFERENT—

I'M GONNA FIGGER OUT EVERY STEP, WATCH OUT FER MAKIN' BAD MISTAKES SO'S WHEN YOU KIDS GET T'BE TWENTY, YER GONNA BE ABLE T' POINT T' YER OLD MAN--

--AND SAY-THAT'S J. PIERPONT GROGGINS, THE RICH, SUCCESSFUL, RESPECTED MILLIONAIRE— OUR OLD MAN!

IT'S BEGINNIN' T' HAPPEN ALL OVER AGAIN! HE'S COME A-KNOCKIN' LIKE HE DID TWENTY YEARS AGO—

OPEN UP, GROGGINS— OPPORTUNITY OTTO'S KNOCKING AT YOUR DOOR!

KNOCK KNOCK

OPPORTUNITY OTTO—THE SLICKEST CONFIDENCE MAN THIS SIDE O' DANNEMORA! THE LAST TIME WE MEETS HE CONS ME INTA INVESTIN' MY LIFE'S SAVIN'S IN A--

KNOCK

--A RARE SPECIES O' BLACK DIAMOND THAT'S STILL IN THE COAL STAGE— NEGLECTIN' T' INFORM ME IT'D TAKE ANOTHER TWO MILLION YEARS FER IT T' MAKE THE CHANGE!

GROGGINS—YOU MUST HAVE BEEN BORN UNDER A LUCKY STAR— FOR TODAY, THIS MINUTE, IN SPITE OF YOUR NASTY SUSPICIONS ABOUT MY CHARACTER, YOU ARE ABOUT TO COME INTO UNTOLD WEALTH!

B-BUT—

LATER.. I (CHOKE) BIT AGAIN!! NOW BEIN' SOLE OWNER O' A HUNK O' ANTHRACITE THAT'LL GROW INTO A BLACK DIAMOND IN A COUPLE ZILLION YEARS!!

3-23

THAT'S ONE OPPORTUNITY YOU FLUBBED, BATHLESS. OH, WELL, THERE'LL BE MORE CHANCES TO REDEEM YOURSELF.
